Jails - Alipuram Jail, Bellary - Additional war staff for guarding Razakars - Sanctioned.

Read:- From the Dlyg Prisons, No 1275/BG1, Dt 4

2. The action of the Dlyg Prisons in having permitted the Supdt, Alipuram Jail, Bellary, to appoint the staff mentioned in para 1 above, in anticipation of Govt sanction, is approved

from the ordinary scale at which warder staff is employed for guarding prisoners, namely, one warder for every 10 to 12 prisoners, the employment of the additional staff of 9 warders to guard Razakars numbering over 600 does not seem excessive. It may also be stated here that Razakars are now being transferred back to Hyderabad in batches. The DG will no doubt retrench the additional staff as and when the whole staff or any portion thereof, becomes surplus to requirements.

2 The extra cost involved comes to about Rs 940/-. It may be mentioned here that in file C.No 8159.0 C/48 (Cost relating to the opening of a camp jail at Cuddalore for Razakars, Finance suggested that the cost incurred on the maintenance and detention of these prisoners should be recovered from the Govt of India and accordingly the DG. has been asked to report the cost in respect of the Camp jail at Cuddalore and his reply is awaited. It is according to the Finance dept's suggestion referred to above the cost of the additional staff now proposed as also the maintenance charges etc of the Razakars will have to be recovered from the Govt of India in this case and also in the case of other jails (excepting the Cuddalore camp jail) where they are confined, it is suld that it may be taken up as a general question with the DG and considered separately on exhausts taken from this file.

3 Orders whether the additional staff proposed may be sanctioned and the employment of the staff in anticipation of sanction may be approved. The draft order sets on p 1 ante is for approval. It may be sent to Finance for acceptance
